### Special Cox & Kings Signature Events in Kenya

Kenya truly is the home of the safari and we invite you to discover its boundless wilderness and awe-inspiring big game on our [Quintessential Kenya](#) Signature Safari Journey. Whether it is the thrill and excitement of the annual wildebeest migration that reaches the world famous Masai Mara as early as July each year, or the unique tribal cultures that entice you, Kenya offers the visitor a chance to experience a natural world unchanged by the passage of time.

Cox & Kings is able to offer several exclusive and unique Signature Events in Kenya. Customize your safari journey to Kenya with one or more of the following:

- Private visit to the Daphne Sheldrick's Elephant and Rhino Orphanage in Nairobi. Daphne was the first person to successfully hand-rear newborn orphaned elephants and re-release them back into the wild. The orphanage is a wonderful experience, particularly for families, as children will be able to help put the elephants to bed at the end of the day!
- Tour behind the scenes at the Nairobi National Museum's Paleontology Department with Dr. Frederick Kyalo Manthi, founder of the Prehistory Club of Kenya, and see Dr. Meave Leakey's work from a different perspective, most notably her discovery of a new branch of early hominids in 1999.
- Visit a private home for an intimate dinner with a local family or with our local manager at the legendary members only Muthaiga Country Club in Nairobi.
- Meet a world-class Kenya Wildlife Services veterinarian and enjoy an insider's look into the daily life of a vet based at the Nairobi National Park.
- Take a private scenic mountain flight around the great peaks of East Africa, either Mt. Kenya or Mt. Kilimanjaro, including a fly-over of one of the salt lakes, teeming with flamingos.

Cox & Kings Safari Journeys are offered on a private basis with daily departures based on availability. This allows for maximum flexibility and a truly enchanting experience with your own Africa. Please contact Jeanie Fundora at 1-800-999-1758 to plan your Cox & Kings Safari Journey or for more information.

## Mt. Everest & Nepal—New Signature Travel Extension

Have you ever dreamed of soaring up to the highest mountains in the world nearly effortlessly? Our new Signature Travel Extension [Mt. Everest & Nepal](#) helps achieve that dream and delivers in a very special way what we consider to be the ultimate Nepal experience.

This new four-day, three-night trip offers the opportunity to view the mighty peaks of the Himalayan Mountains, including an up close view of Mt. Everest, at 29,035 ft. Traveling by helicopter enables you to appreciate the full majesty of the mountains in a way that is virtually impossible by fixed-wing aircraft. Accompanying you on your flights are Mt. Everest Summiteers, who will be able to provide insight into the traditions and challenges of conquering these inhospitable peaks.

During your stay in Nepal you will be based at the deluxe, historic Dwarika's hotel in Kathmandu. In addition to your Himalayan helicopter journey, you will experience the stunning architectural and cultural heritage of the Kathmandu Valley, visiting two UNESCO World Heritage Sites, discovering the fascinating Buddhist, Tibetan and Hindu culture of the Nepali people.

Cox & Kings Signature Travel Extension [Mt. Everest & Nepal](#) may be easily added to a Cox & Kings journey to either India or Bhutan, and is priced from \$3,445 per person double occupancy. Contact Nicole Beattie at 1-800-999-1758 for further details.

## Malta & The Da Vinci Code

With the 2006 release of the screen version of Dan Brown's best selling novel the Da Vinci Code, travel to the Mediterranean island of Malta is fitting—the island was used as the setting for a number of flashback scenes in the film. Locations at Siggiewi, Marsaxlokk and Vittoriosa were used in the film and can be visited on a Cox & Kings private tour.

Those with an interest in mystery and history will want to learn more about an ancient order of Chivalry, The Knights of St. John of Jerusalem, an organization that predates the Knights Templar, which played such a pivotal part in Dan Brown's plot. One can also retrace the footsteps of St. Paul or delve into the islands' wonderful prehistory. All this, while based at a luxurious and atmospheric Relaix & Chateaux palace hotel.

[Island of the Knights: Malta](#) Private Travel Journey is a five-day, four-night trip priced from \$2,235 per person, double occupancy and may be booked by contacting Nicole Beattie at 1-800-999-1758.
