Situated to the southwest of the southern tip of India in the warm Indian Ocean, the Republic of Maldives comprises nearly 1,200 islets, most characterized by the turquoise lagoons surrounding their white sand perimeters and lush green centers. Known especially for over-water accommodation built above the crystal clear, shallow lagoons, the Maldives offer no more than one resort on each tiny island, every one an oasis for exclusivity, natural beauty and abundant sea life.

Set on two utopian islands in the Maldives, Anantara is quintessential for romance and respite. Choose between *Anantara Veli*, located on Veligandhu Island, and *Anantara Dhigu*, located on Dhigufinolhu Island.

Discreet villas offer beachfront seclusion or over-water ambiance. Villas offer luxuriant bathtubs for two, some with private pools, and each boasts every modern comfort. Six eating/drinking venues and an over-lagoon spa complement your island stay.

The premier in indoor-outdoor living, Naladhu is the new sister retreat to Anantara, set on a third neighboring island. Enjoy 19 intimate beachfront and ocean-facing Houses with over 3000 square feet of free-flowing space, private plunge pools and personal wine cellars. This 6-acre, white-sand island offers personalized meals and excursions. This is your island.

Do traditional line-and-pole fishing with native fishermen, delight in yoga, snorkeling, diving, tennis and game fishing, have a private island picnic, sail by traditional dhoni boat, enjoy folktales by firelight by a local historian, luxuriate with in-villa spa treatments and much, much more.

Day One Arrive Malé, Maldives

Arrive Malé and transfer by speedboat to *Anantara Dhigu*, *Anantara Veli* or *Naladhu*.

Anantara Veli, on Veli Island, delight in life over a lagoon. The 36 Over-Water Bungalows are just a few yards from the clear waters, home to lush coral gardens. Lounge in your elegant thatched residence or take to a private sundeck over the lagoon. Step up to one of 14 Deluxe Over-Water Bungalows and unwind in the terrazzo tub for two in your own piece of Maldivian magic. Your rain shower leads into an expansive sundeck. Enjoy full access to the facilities of Veli and Dhigu.

Anantara Dhigu presents 68 beachfront villas situated on a private stretch of beach, with unique outdoor bathrooms and Rainshowers. Our 2 Beachfront Pool Villas are more spacious and come with their own private plunge pool set in a tropical garden. 38 over-water suites situated over the Indian Ocean feature private sun decks and open-air infinity-edged bathtubs with a view over the azure lagoon.

For the ultimate over-water Maldives luxury resort getaway, 2 exclusive Deluxe Over-Water Pool Suites enjoy a prime setting at the end of the jetty, with wrap-around sun decks featuring their own private plunge pool and spacious interiors with hints of Maldivian culture and arts. Enjoy full access to the facilities of Veli and Dhigu.

At both *Veli* and *Dhigu*, When not relaxing on the beach, embarking on an Ayurvedic spa retreat or lounging in our beachfront infinity pool, spend your days on the water with

sailing excursions, waterskiing on our placid lagoon, seaplane flights, deep-sea fishing or sunset dhoni cruises alongside dolphins. Anantara also features its own onsite PADI Dive Centre, offering diver certification courses from beginner to advanced open-water dive and rescue dive training, at one of the world's premier diving destinations.

Naladhu – Each of the 19 secluded houses that comprise Naladhu resort Maldives incorporates timeless design, idyllic views and – unique to Naladhu – an unmatched feeling of home found nowhere else in the Maldives. From the expansive bedroom to the classic, intimate comfort of the dressing room, to the open-air bath, steam room and garden rain shower, out to the private plunge pool and gardens and multi-tiered hardwood deck and dining sala, your romantic Maldives vacation house abounds in space, beckoning you to explore and uncover the luxurious surprises around every corner.

Naladhu offers two romantic house types, each offering identical amenities and luxurious comforts, but with two distinct vantage points. Guests looking for their own stretch of pristine white beach will revel in our Beach Houses, facing the tranquil beach and lagoon side of the island. Meanwhile our Ocean Houses provide an evocative view over the rolling Indian Ocean, with hardwood deck stretching out into the lapping waves, and a live soundtrack of the tides creating a romantic symphony for your Maldives holiday.

The most exclusive of this trilogy of hideaways, Naladhu offers full access to both Anantara Veli and Dhigu facilities while maintaining exclusivity on Naladhu. Enjoy eight restaurant and bar options between Veli and Dhigu as well as Naladhu's exclusive restaurant, in-villa dining and intimate dining arrangements on the island.

Days Two-Six At Your Leisure
Activities on offer, or pure relaxation, **Anantara Veli, Anantara Dhigu or Naladhu.**

Day Seven To Malé and Depart
Transfer by speedboat to Malé and depart.

End of Travel Arrangements
◆◆◆◆◆◆◆◆

Private tours depart daily subject to availability. Please call for details.

When to go: Located near the Equator, Maldives is temperate and tropical. May to October is the southwest monsoon, bringing more rain, while November to April is the northeast monsoon, bringing less rain. Severe storms are rare. February, December and April are typically quiet dry.
